## EXPERIENCE THE JOY OF THE GIVING SEASON

One of the best ways to celebrate a Christ-centered Christmas is to give to others. First Church is sponsoring the following opportunities to give back to Christ this holiday season. Participate as you are able. As you give to the least, you give to Jesus.

### CHRIST BIRTHDAY OFFERING

For over 60 years, First Church has participated in the annual Christ Birthday Offering observed throughout all of the Church of God. This offering, sponsored by Women of the Church of God (WCG), has raised over \$1.4 million annually which goes directly to support mission work in the U.S. and around the world.

First Church has always been generous in supporting this effort. Last year, First Church contributed over \$26,000 to the national offering. Our goal this year is \$30,000. With your help, we can do this!

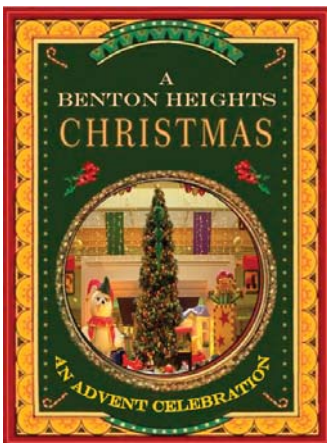

*(Read more about this special annual offering on page 7)*

### FIRST CHURCH GIVING TREE

You will have an opportunity this year to give:

- gifts/supplies for the Military Support group boxes going out to our military personnel (*list will be available November 20/21 at all worship services*)
- special gifts to the children of McCord School
- gifts for some of our First Church and community families in need
- items for women and children staying at the Safe Shelter

Stop by the Giving Tree and help First Church spread God's love through the gift of giving this Christmas!

### A BENTON HEIGHTS CHRISTMAS

Our Benton Heights campus will celebrate Christmas in some fun ways! On November 21, 4-6pm, we will distribute baskets of apples to the neighbors with an invitation to join us for Sunday evening gatherings during Advent. These gatherings will include: Game Night (Nov 28), Christmas crafting & tree trimming (Dec 5), caroling (Dec 12), and gift wrapping & kids' Christmas movie (Dec 19)!

Each week, we will share a meal/refreshments and enjoy time spent together with our neighbors. If you would like to be a part of *A Benton Heights Christmas* in some way, contact Wendy Ahrens: wahrens839@comcast.net / 269.985.0599.

### McCORD CHRISTMAS STORE

Hands-on Ministry is again sponsoring a Christmas Store for the children at McCord Elementary in Benton Harbor, on Monday & Tuesday, December 13 & 14. During school hours, children are given the opportunity to learn to give to others as they shop for 'gifts' in this 'store.'

We need your help and it could be as simple as looking through what you already have to donate like-new items to this outreach. A donation box is in the Gathering Area throughout November. If you need ideas, there is also a list of suggested donations.

You can also experience the wonderful feeling of giving by helping the children at McCord School shop and wrap their gifts. Sign-up to help in the Gathering Area or call Deb Ward at 269.429.0925

## Middle School Ministry. . .

# D-Groups

### IMPORTANT NOTE: PARENT NIGHT IS CANCELLED-- ROLLER SKATING IS ON!

Due to recent flooding in the Attic, Parent Night is postponed until after the holidays. Instead, D-Groups will meet at Lakeshore Roller World Wednesday (Nov 17), 6:30-8:30pm. Cost is \$5/student. Meet you there!

Aside from the flood, D-groups has been going great. Students are half way through a *Proverbs* devotional study. Each week they are being challenged to transform their lives for Christ.

Recently, a group of 8th-grade volleyball players got together with their principal and held a volleyball match fundraiser (volleyball players vs. Upton staff) to raise money for our Ugandan children. Over \$200.00 was raised and will be sent to Uganda to buy Christmas presents for our children. Way to go, girls!

## High School Ministry. . .

# TRIBE

Fall is here and the high school ministry is busy as ever. Here are some of our upcoming events:

- **Sunday, November 14**, the high schoolers will be collecting canned food for the "Southwest Michigan Community Action Agency." Meet in the Life Center at 5PM to be part of this fun service project!
- **Need to get away? Come to Warner Camp November 19-21 and experience Fall Retreat. It's a chance to set aside the things that have been getting you down and help reconnect you with Jesus. Cost: \$65. Registration forms are now available online and around the church.**

Check out the high school ministries webpage at: [myfirstchurch.com/highschool](http://myfirstchurch.com/highschool)

## THANK YOU!

Words cannot express how grateful we are to have such a wonderful church family! Thank you for all the love and affirmation you have shown us during this time of celebration. We feel incredibly blessed by your generous gifts to our family. You are loved!

# Ladron in Casa (*translation: Thief in the House*)

*Church family,*

*We often ask you to pray for our missionaries. The following true story from Julie Kurrle, our “Michigan Missionary” to Paraguay shows us why it is so important. Your prayers do make a difference!*

*--Pastor Rick Blumenberg*

## **Letter from Julie Kurrle:**

Today was a day I'd never like to repeat. I woke at 6:11a.m. and went to the front door. As I unlocked the door I felt someone behind me. I turned and saw a man in our living room with a spear in his hand. He grabbed me.

I screamed and yelled (for our dog, our neighbor, anyone). He was big, about 200 pounds, and wore a white motorcycle helmet. I kicked and screamed and knocked down chairs. After wrestling with him for almost 10 minutes, I realized I should ask what he wanted. He said, “Quiero plata.” (“*I want money.*”)

I told him to let me go so I could get my purse. Instead he dragged me by the hair to my room where Timmy was sleeping and where my wallet was. I gave him all I had. Since it was dark (he had turned off the power to the house), he could not see the wad of bills I gave him. As he tied my feet and hands I felt the need to pray for this man. I prayed out loud in Spanish:

“Lord, please help this man. Give him a good job so he doesn't rob anymore. Bless his wife and kids and keep them in health. Prosper him and help him to change his ways. Speak to him Lord in your name I pray. Amen”

He paused as I prayed, then gagged me with white plastic and tied cloth over my eyes. I continued to pray and ask protection over Timmy, who was only a few feet from me and who did not wake up the entire time.

The man left the room and I immediately hopped over to my nightstand, grabbed my cell phone then hopped back to the floor where I was supposed to be. I sent a text message to my sister-in-law Priscila, “Ladron in casa” (Thief in the house). I prayed she would get the message (it was only 6:25am).

The man came back into my room the moment I clicked the “send” button and I quickly hid my phone. He was angry. Apparently he saw I had only given him \$7. He gagged me tightly with another cloth and said he wanted more money. Thankfully, I had paid several bills yesterday and had no more money!

At that moment my cell phone, hidden under my arm, rang! Priscila had received the message! The man asked what that was and I told him I had called the police and they were on their way.

The man immediately let me go and asked me how to get out. He went to the back door and I waited a few minutes to make sure he had left before I got up. My brother-in-law arrived within two minutes and the police were on the scene five minutes later.

Sandy, our dog, chased his scent to the road, but it seems he had

an escape motorcycle hidden in the woods. The police took my report and I went to sign it at the police station. The county police will do an investigation on the items that he left (including a flashlight and the cloth and rubber he used to tie me.)

I tell you all this so that:

- You can praise God with me that I wasn't hurt, (some bruising) nor was our precious son touched. God watches over us and we give God praise and thanksgiving for our protection!
- You can pray for us with fervor. My close friend told me she dreamed last night that a dragon was chasing me and she woke at 4 am to intercede for me. I thank God for her sensitivity to pray. Please pray God protects us as we serve here.
- Pray the police catch this man and that he have a true encounter with the Living God!

Thank you so much! God gave me a sense of peace and sharp thinking in the most critical moments this morning. I ask that you pray I would have no fear when Norberto is away. I put my trust in the Lord and I give my life to him.

I Love You!!! *Julie*

**P.S. from Pastor Rick:** *One reason for this problem is that Norberto & Julie's house is unfinished and therefore not secure. Some First Church folks want to help finish and secure it. If you would like to contribute to this cause, see Pastor Bob Confer.*

# Year-end Giving

In order to receive giving credit for donations for 2010, the IRS has certain requirements. Donors must deliver or mail (and postmark) checks on or by December 31st in order to claim a charitable contribution deduction for 2010.

Checks that are placed in the church offering during the first worship service in 2011 will not qualify for a charitable contribution deduction in 2010, even if the check is predated to 2010 or was actually written in 2010. However, checks that are written, mailed, and postmarked in 2010 will be deductible in 2010 even if a church does not receive them until 2011 (provided that the check is dated 2010). If the church receives a check in 2010 and the check is dated 2011, then we cannot cash it in 2010, and therefore it will be a 2011 donation.

If you have any questions or comments, please contact Pastor Greg at either [gordon@myfirstchurch.com](mailto:gordon@myfirstchurch.com) or 983-1524 ext.12.

Thank you for your support.

## House is for 20-Somethings

If you're 20-something, get plugged into a *House* group (weekly small group Bible study). We have all the ingredients for an awesome night: free food, great people, and time to connect with God through worship.

Contact Dan Deitrich at [dan.deitrich@gmail.com](mailto:dan.deitrich@gmail.com) / 269.983.1524 with questions or for more information.

## Soup & Book Discussion.... Let's do it Again!

Our first book discussion for outreach ministry was an overwhelming success! Twenty-five people gathered to enjoy a bowl of soup and some discussion of the book, *The Hole in Our Gospel*. We shared some honest fears, questions and struggles with what God is calling us individually and as a church to be in our world and community, and really explored what it means to live out the 'whole' Gospel. We have decided to continue reading and the next book, *Friendship at the Margins*, is already available at The Good Word bookstore for \$10.

On January 9, we will reconvene for dinner and a discussion about bringing reconciliation and healing to our broken world through the simple practice of friendship. The authors of this book contend that unlikely friendships are at the center of an alternative paradigm for mission where people are not objectified as potential converts but encountered in relationships of mutuality and reciprocity. These are a lot of big words....pick up the book and find out what they mean!

If you missed out on our first discussion, we hope you will plan to join us on January 9 to talk about *Friendship at the Margins*.

Please register in order to help us plan. Call the church office 983-1524 or email: [jenny@myfirstchurch.com](mailto:jenny@myfirstchurch.com).

## Health Moments...

From Your Parish Nurse Beth Fiskars

November is recognized for several different observances, ranging from Thanksgiving, the beginning to Advent season, and the Great American Smoke Out. This month, I would like to visit with you on

### *Cherishing the Gift of Breath*

God's word provides many references to the gift of breath. In Genesis, we learn that Adam was not a full alive person, until God breathed into him. Thankfully, God is the source of our breath and graciously sustains our life (*Acts 17:25*)

#### **Fast Facts on Lung Cancer:**

- Lung cancer is now the #1 cancer of both men and women
- 1/3 of all cancer-related deaths are attributed to lung cancer
- Over the last 15 years, the number of women being diagnosed with lung cancer has steadily grown
- 90% of all lung cancers are smoking related
- Not all people with lung cancer have symptoms
- Treatment for cancer can include surgery, chemotherapy and radiation
- Exposure to second-hand smoke is a major risk factor for SIDS (Sudden Infant Death) deaths, as well as for the increasing rates of asthma and emphysema.

Blessings on cherishing the gift of breath, in physical and spiritual ways.

Please contact me if I can be of any assistance to you. Thank you for the sacred privilege of serving as your Parish Nurse.

**NOTE:** Due to lack of response, the November 14 flu vaccine clinic at our BH campus has been cancelled.

### **Blood Drive: Nov 30**

*Michigan Blood* will host a Blood Drive in the Fellowship Hall at First Church St. Joseph campus on Tuesday, November 30, 2-7pm. Appointments are preferred. Visit *Michigan Blood* at [donate.miblood.org](http://donate.miblood.org) to make an appointment or call 269.408.1540. Walk-ins are also welcome.

# Anderson Offers Free Online Seminary Class

Would you like to take an online seminary class from the Anderson College School of Theology (SOT) in Anderson, Indiana? SOT is the Church of God graduate school connected with Anderson University. Two different seminary classes are available online as audio classes, with a brief outline you can watch or use for notes as you listen.

The two classes are The Historical and Theological Context of the Church of God, taught by Dr. Merle Strege, AU's Professor of Historical Theology, and Literature and History of the Old Testament II, by Dr. Barry Ross, AU's Professor of Old Testament. I have not heard Dr. Ross, but I have heard Dr. Strege many times and he is always interesting. If you have any interest in church and sociological history, you need to check out this class. If you have ever wanted to know more about the Old Testament, try Dr. Ross's class. It is always available online and you can listen any time you want to.

## Full Degree also available online

If you want to go beyond the free class and actually work on a degree. Anderson University's School of Theology offers an Online Master of Arts in Christian Ministry. You can take just one class (at the regular tuition rate) or earn an entire degree online. Here is a description from the AU-SOT website (<http://www.anderson.edu/sot/academics/onlinemts/>) and an introduction to Dr. John Aukerman, Professor of Christian Education and Director of Distance Education:

"The online seminary degree at Anderson University School of Theology is a virtual learning community designed for the ordained pastor and for laypeople who wish to enter serious graduate level study of Bible and theology. The same faculty members who teach our residential classes also teach all online classes. The goals for online courses are no different from those in on-campus classes. The only difference is that your classroom can be where you choose for it to be: in a local library, at your church, at home—any place you can establish an internet connection. Through a computer you will be able to interact with your professor and fellow students, obtain some of your required reading, listen to lectures, engage in learning activities, take tests, and submit assignments."

## Honor Loved Ones at Christmas

Remember/honor a loved one at Christmas. Orders are now being taken for Poinsettia plants (\$5 each). These plants will help to decorate our worship services, and can be taken home after the last Christmas Eve service to grace your table on Christmas day.

Order forms are available at the Information Center in the Gathering Area of First Church. Deadline is Sunday November 21.

*"Many online students have said that their time on the Anderson University School of Theology campus is the best part of their seminary experience. They always bring energy, vitality, and excitement with them, making them active contributors to the residential community. When the students meet with their professors and residential students who are taking the same course on campus, a true community of learning develops." — Dr. John Aukerman*

For more detailed information and discussion, contact Dr. John Aukerman, director of distance education, by e-mail at [jhaukerman@anderson.edu](mailto:jhaukerman@anderson.edu), by phone at (765) 641-4530, or by Skype at [johnaukerman](https://www.skype.com/en/contacts/johnaukerman).

In order to take the Online Master of Arts in Christian Ministry it is necessary that the students go to Anderson one week for each semester (typically the second week of the semester). These are resources for spiritual growth you may not be aware of that could help you to grow in your walk with the Lord.

# Christ Birthday Observance: God With Us

*“For God was pleased to have all his fullness dwell in him, and through him to reconcile to himself all things, whether things on earth or things in heaven, by making peace through his blood, shed on the cross.” Colossians 1:19-20 NIV*

Join us in the *Christ Birthday Observance* through our theme that God is with us through Jesus. As we reflect on the meaning of Immanuel, we also remember what Jesus meant for our world. There are two very important celebrations of the *Christ's Birthday Observance*: prayer and offering

## 24-Hour Prayer Vigil - Saturday, Dec 4

*Project Prayer* supports in prayer Each state and country where the Church of God has a presence is assigned a specific day during the Observance to pray for the ministry of the church around the world. Michigan, New Mexico, Bhutan, Cambodia, Nicaragua, and Mexico will join together in a 24-hour prayer vigil on Saturday, December 4.

On the weekends of November 20/21 & 27/28 a prayer wheel will be in the Gathering Area to allow folks to sign up for a block of time, individually or as a family or small group. Attached to the wheel is a list of global and local prayer concerns to guide prayers. Please choose your time & pray with us!

## Christ Birthday Offering - Dec 18/19 & Christmas Eve

The *Christ Birthday Offering* supports the frontline ministry of the Church of God. For over 60 years, First Church has participated in the annual Church of God Christ Birthday offering. This offering, sponsored by Women of the Church of God (WCG), has raised over \$1.4 million annually which goes directly to support mission work in the U.S. and around the world.

First Church has always been generous in supporting this special effort. Last year, First Church contributed over \$26,000 to the national offering. Our goal this year is \$30,000. *We can do this!* This offering will be taken up the weekend of December 18/19 in all services, including *KidZone*, and at all Christmas Eve services.

Prayerfully consider placing this gift to missions at the top of your list this year. This is a wonderful, tangible way to express gratitude to our Lord during this sacred time of year. You will be blessed

## We Can Help the Hurting

A hurting person needs to talk because he wants someone to understand what he is experiencing. Rather than worrying about what we will say, we concentrate on listening to the words you share. We can not eliminate your grief or suffering, you must deal with it personally, but we will obey Paul's directive to "encourage one another". We will express love and care for you, seek what is best for you, and encourage your reliance upon God.

# Bragging on God

I wish I could take all of you into our staff meetings or Advisory Council meetings so that you could hear the reports from our staff about what God is up to in our church, in our community and in our world through the ministry of First Church. Our vision is *“Building Bridges...Transforming Lives”* and it is so exciting to see and hear the stories of that vision being transformed into reality.

One of the things we do once a month in our weekly staff meetings is to have a time where we “brag on God.” Staff have a chance to share stories of God at work. Sharing those stories help to remind us of why we do what we do. It’s exciting to hear about peoples’ lives being transformed by the power of God’s word in mid-week classes like *Alpha* and *Financial Peace University*. It’s exciting to hear about what God is up to in *House*, where young adults are putting their faith into action by organizing fundraising and missions projects for the ravaged nation of Haiti. It’s exciting to hear how God is working through our middle and high schools as we see teens coming to Christ and wrestling with living out their faith in their generation. It’s exciting to hear about real ministry on the front lines--pushing back the darkness and sharing the light of Christ at our Benton Heights campus. I could go on and on and on.

Peter Druker, renowned management consultant, says that every organization (the church included) should ask themselves two questions: *“What’s Your Business?”* and *“How’s Business?”* Very simply, we are in the disciple-making business. Its what Jesus told us to do in Matthew 28 when he commanded us to, *“go into the world and make disciples.”* So...how’s business???

First Church, I’m excited to report that business is booming!!! We have so much to be excited about and celebrate!

As we celebrate what God is up to, let me simply encourage

you to get engaged and find your place in the celebration. I’m sure you have seen and heard about needs in different areas for people to step up and serve. Are you engaged in one (or more) of them? If you look at the numbers, I’m sure you have seen that we continue to run behind in our budget-giving. We really need to step things up financially. Are you engaging in this part of ministry?

**You will have your own chance to brag on God!**

You will have your own opportunity to “brag on God” at every service the weekend of January 1/2, 2011, either via video or through cardboard testimony (*see below example*). If you have a story to tell, contact Debbie at [debbie@myfirstchurch.com](mailto:debbie@myfirstchurch.com) / 269.983.1524 (x34).

We have so much to brag on when it comes to God and His work in and through lives. To fully realize all that God has for us we all have to be engaged. Don’t miss the excitement!!

Your Fired-up Leader,

*Pastor David*
