The Role of the “Café Barista” Volunteer

An Overflow Coffee Café worker is more than simply a Café worker. They are messengers of faith, hope, and love to their customers. As a volunteer in the café, you get the opportunity to learn how to make gourmet coffees and espresso drinks for the community. The hospitality and service industry training is excellent and on-going.

You will have the opportunity to interact with people from the Benton Harbor/ St. Joseph area and beyond (*We get lots of visitors!*). You will be trained to make coffee, lattes, smoothies, frappuccinos and more. You will learn how to operate a cash register and will be trained to interact with people, always upholding our core values to help make the café consistently a friendly, loving place to be. Each worker is extremely valuable, important and vital to us and the ministry of the café. The success of the café depends on volunteers taking ownership of the café’s purpose and vision. The café is an intended to be an atmosphere of grace and love, not just to our customers but also to each volunteer and worker. It is our hope that each person has a ton of fun while serving our great community.

The Overflow Coffee Café hours are 9:00am to 1:00pm and 5:00am to 9:00pm, Monday through Friday, 9:00am – 9:00pm, Saturdays, and closed on Sundays. Each volunteer works one shift on a weekly, bi-weekly, or monthly basis, depending on their availability. (Of course, more hours are available as needed).
