

I CAN LAUGH ABOUT IT NOW
AN EVENING WITH **JEFF ALLEN**

'Honest.' **REAL** **'Raw!'**
refreshing **REVEALING**
'restorative.' *'redemptive...'*
HILARIOUS!

Jeff Allen is among the nation's leading comedians. His story has been shared on [Focus on the Family](#), National Prayer Breakfasts and the US Armed Forces.

At times both gut-wrenching and hilarious, this one-man show tells the personal story of a life and marriage that hung by a thread for 18 years. Growing up and performing stand-up in Chicago, Jeff Allen was a bitter alcoholic atheist. Even after marrying the love of his life, nothing changed until...

"Most Christian comedians have a sort of "Christian-ese" that makes them a bit predictable. What distinguishes Jeff is that he is not a Christian comedian, but rather a genuinely talented stand-up comic who happens to be a devoted follower of Jesus. Jeff had us laughing hysterically, then moments later, when he shared his story, we saw a picture of what God can do with a shattered life surrendered to His grace."
